

Second update to data in:

Mathie RT, Hacke D, Clausen J, Nicolai T, Riley DS, Fisher P. **Randomised controlled trials of homeopathy in humans: characterising the research journal literature for systematic review.** *Homeopathy* 2013; **102**: 3–24.

(Records published in 2015 inserted in purple)

Web Appendix 1: Records rejected from further analysis (n=256+3=259)

Each tabulation is ordered by whether ‘Placebo/Indiv.’ is categorised ‘Yes/Yes’, then ‘Yes/No’, then ‘No/Yes’, then ‘No/No’; then alphabetically per category by first author name and by year of publication.

a) Book, book chapter, conference proceedings, thesis/dissertation, newsletter, report (n=64)

Ref. No.	First author	Year	Document type	Total databases	Language	Placebo	Indiv.	Category	Condition
